Explanation of Benefits(continued)

For Customer Service regarding benefit information, eligibility, or to check claim status, please call 1-844-729-1565.

Benefits are calculated on the allowed amount. If services were received from a participating network dentist, the difference between the allowed amount and the amount submitted is not charged to the member and is the amount the member saved due to the dentist network agreement. This is consistent with the dental benefit plan and Anthem Blue Cross policies and is not a reflection on the treatment plan. However, if services are deemed to be non-covered services under state specific laws you may be subject to additional charges from the provider. Payment for services from a Non-Participating provider are generally sent to the member, except where federal or state mandates apply, or negotiated agreements are in place.

A person who submits an application or files a claim with the intent to defraud or helps commit a fraud against an insurer is guilty of a crime. Improper payments increase health care costs. If you wish to report any instances of suspected fraud, misuse, abuse or waste of health care benefits, please contact the Dental Special Investigations Unit at 1-844-603-7283. All information received is confidential.

Dispute Resolution Mechanism For Provider:

If you, as the treating dentist, disagree with a claim or billing determination, or our request for reimbursement for an overpayment, or if you have contract dispute, you may submit a provider dispute by mailing written notice to us at:

Anthem Blue Cross Dental Claims Appeals & Grievances

P.O. Box 1122

Minneapolis, MN 55440-1122

The written notice of dispute must include the provider name, tax identification number, patient name, health plan's identification number and a description of the dispute. Provider disputes must be received by the health plan no later than 365 days from the health plans action that lead to the dispute (or the most recent action, if there are multiple actions that led to the dispute).
