Explanation of Benefits(continued)

For Customer Service regarding benefit information, eligibility, or to check claim status, please call 1-877-606-3338.

Benefits are calculated on the allowed amount. If services were received from a participating network dentist, the difference between the allowed amount and the amount submitted is not charged to the member and is the amount the member saved due to the dentist network agreement. This is consistent with the dental benefit plan and Anthem policies and is not a reflection on the treatment plan. However, if services are deemed to be non-covered services under state specific laws you may be subject to additional charges from the provider. Payments for services from a Non-Participating provider are generally sent to the member, except where federal or state mandates apply, or

negotiated agreements are in place.

A person who submits an application or files a claim with the intent to defraud or helps commit a fraud against an insurer is guilty of a crime. Improper payments increase health care costs. If you wish to report any instances of suspected fraud, misuse, abuse or waste of health care benefits, please contact the Dental Special Investigations Unit at 1-844-603-7283. All information received is confidential.

Review and appeal procedure: You may request a review of any adverse benefit determination within 180 days of receipt of this statement. The appeal must be in writing and include the member's identification number. The request can be mailed to Anthem Dental Claims Appeals & Grievances, P.O. Box 1122, Minneapolis, MN 55440-1122. You may also initiate an appeal by calling the Customer Service number located on the back of the member's identification card.

If your health plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), once you have used all your mandatory appeal rights, you have one year from our appeal decision to bring an action in federal court under section 502 (a) (1) (B) of ERISA, unless your plan provides for a longer period. Check your benefits booklet or plan documents to see if you have more time.
